

BUILDING MATERIALS

Do your customers rely on just-in-time deliveries?

We understand that strong customer relationships are built on consistent deliveries that arrive on time...every time.

Telematics solutions are available to track arrival and departure times and give your customers peace of mind that their goods will arrive on time to meet their tight production schedules.

To maximize your payload, fuel efficiency, and performance requirements, you need the most reliable trucks with current technology. That's why Idealease offers a wide variety of industry-leading trucks like the International® MV™, HV™ and LT™ that can be equipped with optional features and specialized equipment suited for whatever your job throws at you.

When leasing from Idealease, our truck specifying expertise guarantees you the right equipment for your job. Simply put, we know how to build a truck that's perfect for your industry.

Some important options for the Building Materials industry include:

- Power lift gates with walk ramp combination
- Crane/Boom capabilities
- Flatbed bodies with forklift mounting kits
- Automated manual transmission
- Diamond Logic technology
- Rear air suspension with leveling valve
- Engine exhaust brake
- Air slide 5th wheel
- Heavy front and rear axle capabilities

In order to adhere to current FMCSA regulations, Idealease trucks may feature **Electronic Logging Devices (ELDs)** that provide easy-to-use Hours of Service tracking, automatic auditing, and upcoming violation alerts.

We proudly support industry-leading companies like: HD Supply, FBM, MRC Global and Airgas/Air Liquide (VitalAire), Reliance Steel, Lansing Building Products and Bardon Supplies.

LET IDEALEASE HELP YOU BUILD A STRONGER BUSINESS!

Idealease provides a safe, cost-effective alternative to truck ownership. Our comprehensive Full Service Leasing, Dedicated Maintenance and Rental solutions with our unmatched service and support programs will maximize vehicle uptime and help you serve YOUR customers even better. Our more than 430 Idealease service locations employ hundreds of expertly trained technicians with access to an extensive parts inventory to repair your vehicle efficiently.

LET'S TALK!

If you currently own your trucks, our proprietary Vehicle Acquisition and Maintenance Analysis will forecast your true cost of ownership for up to 10 years. Following this review, many fleet managers choose leasing because they are able to reduce the number of trucks required and optimize vehicle replacement cycles.

If you already lease your trucks, we can give you **FIVE** reasons why Idealease will be a better transportation partner.

THESE OPTIONAL PROGRAMS ARE AVAILABLE TO ALL IDEALEASE CUSTOMERS:

24/7 ROADSIDE ASSISTANCE

You can rely on Idealnet, 24/7 Roadside Assistance from Idealease, to get your driver back on the road as quickly possible when they have a vehicle breakdown, lock-out, or emergency permit requirement, or when they need a fuel or hazmat cleanup.

One call to 1-800-ID LEASE puts your driver in touch with a trained Idealnet service coordinator, never a telephone recording. The vast Idealnet service network includes more than 430 community-based Idealease service locations and 34,000 truck stops, tire repair centers, and service stations throughout the United States, Canada, and Mexico.

FUEL TAX REPORTING AND FUEL PURCHASING PROGRAMS

Idealease Fleet Services provide efficient vehicle licensing, legalization, and U.S. fuel tax reporting. Our Idealease Fleet Services Fuel Card eliminates most of the paperwork for tracking, trip reports, and fuel tax receipts. The card is accepted at more than 43,000 fueling locations in North America, and it has no transaction fee.

SAFETY AND COMPLIANCE

Idealease is the leader in safety and compliance training. Idealease offers the most current information and training available today, including extensive coverage of the ever-changing and complex CSA regulations.

TELEMATICS SERVICES

Telematics services are utilized by Idealease customers for a variety of reasons. Idealease offers the CyntrX fleet tracking system, which is linked to Navistar's OnCommand™ Connection Remote Diagnostics system. This system provides a customer portal so you can more efficiently manage your fleet through an integrated vehicle service monitoring system.

REPLACEMENT RENTAL VEHICLES

Idealease offers a full range of industry-leading vehicles including: day cabs and sleeper tractors, dry and refrigerated straight trucks, stake body trucks, and specialized equipment (such as yard tractors, wet line kits, forklift kits, and more).

There is a better alternative to truck ownership. Idealease can show you why leasing is a superior financial and operational alternative to ownership, allowing you to focus even more attention on serving your customers and growing your business.
