

We continue to serve.

Hunter Truck remains open to serve our customers and do our part to keep America moving during the COVID-19 outbreak.

To ensure the protection of our safety and yours, **we are temporarily eliminating all in-person interactions.**

HUNTER
TRUCK

PARTS

- All Hunter Truck Parts Department showrooms will be temporarily closed to the public.
- Our parts professionals are ready to help: any parts order can be placed by phone or email.
- Curbside pick-up is available at each Hunter Truck location, call ahead for details.
- All parts delivery services will run as usual, with orders being placed right outside of your building. Invoices will be left with each delivery; we ask that our customers return a signed copy of the invoice via email.

SERVICE

- We are committed to keeping you running, no matter the conditions: all services repair requests can be placed by phone or email.
- Upon arrival at any Hunter Truck Service Department, please leave the keys inside the vehicle for our team to retrieve.
- Service estimates and repair order details will be sent via email for your review and authorization.
- All touch points within your truck will be disinfected before and after service work is completed.
- Upon service completion, we will notify you via phone or email to arrange a safe, no-contact pick up.

RENTAL AND LEASING/SALES

- Rental and Leasing/Sales are available by appointment only; ask your local Hunter Truck location for details
