THE HUNTER TRUCK DIFFERENCE

View our inventory page:

We have over 200 used trucks available across our network of locations in PA, NY, NJ, and WV.

Hunter Certified

Along with being fully serviced and detailed prior to being a purchase-ready truck, our team of sales and service professionals have a checklist that specifies what makes a used truck *Hunter Certified*.

- Under four years old
- Less than 400,000 miles
- Has minimum of one year factory warranty on engine & aftertreatment remaining, or is Pre-Certified for up to 3 years/ 400,000 mile aftermarket warranty coverage.

Work Ready

Just like Hunter Certified used trucks, Work Ready trucks must meet certain parameters, too. From being fully serviced to having the Hunter Truck Inspection completed, these trucks are ready for work.

- No age limitation
